- Obedience Trial:** Obedience report - - first time in years that we have made a profit with obedience.  
Thanks to Sandy for the food. For future, cut food by limiting food for exhibitors and order in food for judges.  
Michelle is raising her rent, looking to recover her floor with a type of turf.  
Everything ran smoothly, only one incident where jump height was left off an entry which automatically put them at the end, there was an issue with nearby dog, exhibitor and club member had an altercation, exhibitor left crying. Incidents should be brought to the show chair.
- Agility Trial:** Many people came or stayed for the agility trial. Enough entries to hopefully get approved for future trials. Once we get approval, sit with Michelle to discuss what weekend works. Looking two years out for first trial. Committee needs to form to discuss options and preparations for trials.
- Educational Programs:** How to run a Event Committee Overview (Bench Committee): Please see pamphlets from one of the above present club members.
- Future Programs:** Nice to have Gina at AKC to ask her questions. Future program with bouncing questions off her. Round table conversations. Legal discussions.
